Martin Aigner

Research Interests

- Systems performance analysis
- Memory management
- Multi-core architecture and programming
- Runtime and execution environments

Education

Since 2012	**PhD Student**, *University of Salzburg*, Salzburg, Austria. Department of Computer Sciences
Supervisor	Prof. Christoph Kirsch
2010-2012	**Dipl.-Ing. (equiv. M.Sc.)**, *University of Salzburg*, Salzburg, Austria. Department of Computer Sciences
Supervisor	Prof. Christoph Kirsch
2011	**Visiting Student**, *ETH Zurich*, Zurich, Switzerland. Department of Computer Science
2006-2010	**B.Eng.**, *University of Salzburg*, Salzburg, Austria. Department of Computer Sciences

Experience

Teaching

2014	**Lecturer**, *Advanced Operating Systems*.
2013,2014	**Teaching Assistant**, *Introduction to Compiler Construction*.

Vocational

Since 2012	**Research assistant**, *University of Salzburg*, Salzburg, Austria. Department of Computer Sciences
2003-2011	**Software Developer**, *Austrian Red Cross*, Salzburg, Austria. Business software and database systems
2002	**Internship**, *Wüstenrot AG*, Salzburg, Austria. Network and system administration
